**V. ANALYSIS**

Chicago Police General Order G03-02-III-C-6 states that a sworn member is justified in using deadly force to stop a dangerous animal only when the animal reasonably appears to pose an imminent threat to the safety of the sworn member, another person, or another animal and no reasonably effective alternatives appear to exist.

Based on Officer Survillion's statement, and review of all relevant documentary evidence, COPA finds that the involved Member properly discharged his firearm within policy at the attacking animal and did not endanger any persons. COPA recommends that this investigation be closed without further reports or interviews.
